KEY: ● 1/2 Hour Before and After Sunset ● Limited: Sunrise to Sunset ● Varies ● 24/7

**DISCLAIMER:** Actual mileage, costs, permit and escort costs are dependent upon actual dimensions, payload, and routing. Metropolitan areas are subject to further daily travel restrictions and law enforcement escorts. Requests for permitting varies based on permit submission and processing times by individual state offices. Super loads (shipments over 14 feet) require additional consulting.

### Did you know?

- Route mileage for permitted loads is often higher and more complex than for standard size moves.
- Permits for oversized freight must be approved by both a DOT official and civil or architectural engineer per state.
- 71% of specialized carriers use outside services to acquire permits.
